Dedication

TO MR. PAUL CHAMBERLIN AND MRS. ROBIN WALKER FOR THEIR CONSTANT HELP AND GUIDANCE THROUGH-OUT OUR FOUR YEARS AT NAUSET. WE, THE CLASS OF 1982, WISH TO EXTEND OUR MOST SINCERE THANKS AND APPRECIATION.

The Class of 1982

Friendship

We came as total strangers
We leave as lifetime friends
We shared a season of our lives
But every season ends

Our smiles, our loves, our laughs, our fun
Our youth will soon be past
But hopes and dreams and memories
Will somehow always last

The years we shared are over
Those were the good old days
The times we will remember
When we go our separate ways

Our days here have been numbered
And soon they will be gone
But in our minds and in our hearts
Our memories will live on.

Ken Rose, 1982

It was the best of times ...

CLASS HISTORY

Freshmen year we entered the halls of N. R. H. S., stunned that we had come from the top of the heap back to the bottom of the crop. The overbearing Upperclassmen were almost too much for us to bear, but we did survive! Our first entrance into the Nauset social life was the annual Halloween Dance. Then came the Gong Show . . . need more be said? Next the provocative antics of Tartuffe-quite a ruffle in our newly found values. And while enjoying these activities, our heads were filled with the sounds of the Cars, Fleetwood Mac, Billy Joel and yes, believe it or not, Disco was *in*!! (Orisa Lives)

Sophomore Year — the in-between-time — we were neither Freshmen nor Upperclassmen . . . just Sophomores. In those days Nauset was truly #1. We were the undefeated State Soccer Champs. Those were the days of "Big Mac Attacks" on the field. The tunes of the time were The Doobie Brothers, Van Halen, Pink Floyd, and STILL Disco. With endless sales of candy bars to drive our taste buds wild!

The Big Move to Upperclassmen — Junior year! The groups were AC-DC, B-52's, and the Rolling Stones. Disco was finally out and New Wave was in! Then the tragic death of John Lennon triggered the re-emergence of the Beatles. Our social lives were once again enriched by such Drama productions as "Anything Goes" and "Another One Bites the Dust." Along came Calvin Klein and Prep Day! A Breakthrough with the Administration allowed us to have a Rock Concert by George Gritzbach. "The Long and Winding Road" — Prom '81 — one of the best events of the year. Time to decorate for graduation — unfortunately, a year early, but our time was soon to come.

Then the Ultimate — (not Frisbee) — but Senior Year!! The feeling of finally being on the top was long overdue, but we were faced with the gloom of Proposition 2½. The music was Journey, Foreigner, Pat Benatar and the come back of the Doors. Cramming for College Boards and making out applications took up too much of our time. The friendships we've made will be remembered long after the thrills of the past events have been forgotten. We will look backward with pride, and forward with confidence.

FRIENDSHIP

It was not foes to conquer,
Nor sweethearts to be kind,

never be together again!

Memories of a Friend
Libby A. Turnbull
January 28, 1964 - January 2, 1982

A friend is gone . . .
Not just for a little while -
but forever.
The shock you feel when realizing-
the smile that shone through every day,
the laugh that echoed in your ear,
the friend who cheered you when you were low
-will not be there when you need it most.
But soon the pain and anger turns to understanding,
It was time . . .
and she is in good hands
you know.
She is lost,
but will always be remembered.
